

18. Yet, his expose of the system, the process, and the strategy that is taking down America is precise in its analysis and crystal in its presentation. Excerpts follow from *The Death of the West*.¹
19. The result of the consistent attack by Progressives on the souls of the nation's purposely indoctrinated and benighted citizens means that critical point is soon to follow.
20. For decades they have been influenced by Marxism, communism, socialism, and humanism that have led them to approve and promote the abolishment of their own freedom.
21. The myth of the Leftists is the imposition of equal opportunity. If an opportunity is equal to all, then the end result will be inequality.
22. Any given pursuit entered into on an equal basis will in its process isolate the most capable of maximizing that opportunity to the detriment of others less adept.
23. This is also true in the Christian way of life. At salvation, all believers are imputed forty things, received by grace, and before any one of them becomes aware of any of them.
24. All start out equal, but in the combat of the twenty-first-century's cosmic assaults on the soul, the Sturm und Drang² of Progressive ideology takes its toll on those who fail to grow in grace.
25. The undertow of Progressive ideology is the diminishment of absolutes within the Traditional culture in favor of absolutes that promote humanism which gravitates toward hedonism.

² "A literary movement in Germany in the late 18th century, influenced by Jean-Jacques Rousseau and characterized by the expression of emotional unrest and rejection of neoclassical literary norms. Literally 'storm and stress'" (*The New Oxford American Dictionary*, 1st ed., s.v. "Sturm und Drang.").

26. Cosmic panaceas are the undertow in society that promotes Lucifer's strategy and tactics in cosmos diabolicus.
27. He is the ruler of this world in name, but becomes ruler in effect through the arrogance and ignorance of believers that promote his agenda in the cosmic systems.
28. Far too many believers today have been so influenced by the cosmic culture of the country that they are part of the problem rather than the solution.
29. Many go to church, listen to the sermons, complement the pastor on the message, but leave without the power of conviction to apply what they have just learned.
30. Failure to apply what is learned plus participation in cosmic panaceas result in a false premise.
31. Instead of being a functioning Christian warrior such types may be studying the Word, but instead of functioning as a Christian they live their lives in religion which is the devil's lie.

7. Religion.

Man by man's efforts to gain approbation from God. The system of anti-grace emphasizes Christian service over the work of Christ and the power of God's Word.

Christianity and religion are antithetical. In Christianity, God saves mankind through personal faith in Jesus Christ. In religion, man seeks to impress God with his works.

Religion is the Luciferian counterfeit of Gods purpose, plan, and will for the life of the believer. It diverts the unbeliever from grace and influences the believer to live outside the bubble.

Luciferian deceit functions exclusively within counterfeit systems of Christianity with emphasis on human good which, when practiced, transforms into evil. There are several that are easily discerned from Scripture. These counterfeits include:

1. A gospel message that edits out grace and substitutes works. This idea is rejected in:

Ephesians 2:8 - For you see, by efficacious grace³ you have been permanently saved through faith; and that grace salvation is not from the source of yourselves, this salvation is the gift from the source of God,

v. 9 - Not out from the source of works that no one should boast. (EXT)

2. Ministers. Those who present themselves as spokesmen for and representatives of God, but whose message is designed to counterfeit the doctrine of the gospel and doctrines related to the spiritual life.

These false teachers are addressed by Paul in 2 Corinthians 11, first by communicating a false gospel and heretical doctrines to which the members responded.

2 Corinthians 11:3 - I am afraid that, as the serpent deceived Eve by means of his unscrupulous cunning, so your inventory of ideas should be corrupted from the integrity of doctrine and purity of life toward Christ.

v. 4 - For if the ones who come [**Judaizers**] preach another Jesus whom we have not taught, or if you receive another kind of spiritual inventory which you had not received, or a different kind of gospel which you had not welcomed, you patiently endure them honorably. (EXT)

The ultimate source of these false teachings is identified by Paul in verses 13–15.

³ Efficacious grace is the ministry of God the Holy Spirit in making the faith of the spiritually dead person effective for eternal salvation.

2 Corinthians 11:13 - For such as these are false apostles [who assert authority in the church], deceitful artisans [by communicating false doctrines], masquerading themselves as apostles of Christ [hiding behind a masque of legitimacy].

v. 14 - No wonder, for even Satan masquerades himself as an angel of light.

v. 15 - Therefore it is not surprising if his servants also disguise themselves as ministers of righteousness, whose end shall be according to their human-good works [**Great White Throne Judgment**]. (EXT)

The impact achieved in Corinth by first-century Judaizers has been repeated in client nation America as “false apostles” masquerading as pastors lead congregations astray by the artifice of eisegesis.
