

Cosmic 2 Antiestablishment: Family: The Antiestablishment Mentality, Rom 1:28-32; 2 Tim 3:2-7; the Antiestablishment Brain Trust; Diversity Requires Nationalism not Collectivism

The antiestablishment mentality is identified, described, and discussed in Scripture. Here are some:

Romans 1:28 - Since they knowingly did not acknowledge God any longer, God gave them over to a worthless mind, to do those evil things which are improper,

v. 29 - being influenced by all unrighteousness: wickedness, greed, evil; full of envy, murder, strife, deceit, malice; they are gossips,

v. 30 - slanderers, haters of God, insolent, arrogant, boastful, inventors of evil, disobedient to parents,

v. 31 - without understanding, untrustworthy, unloving, unmerciful;

v. 32 - and although they know the ordinance of God, that those who practice such things are worthy of death, they not only do the same, but also give hearty approval to those who practice them.

2 Timothy 3:2 - Men will be lovers of self, lovers of money, boastful, arrogant, revilers, disobedient to parents, ungrateful, unholy,

v. 3 - unloving, irreconcilable, malicious gossips, without self-control, brutal, haters of good,

v. 4 - treacherous, reckless, conceited, lovers of pleasure rather than lovers of God,

v. 5 - holding to a form of godliness, although they have denied its power; avoid such men as these.

v. 6 - For among them are those who enter into households and captivate weak women weighed down with sins, led on by various impulses,

v. 7 - always learning and never able to come to the knowledge of the truth.

These thoughts, decisions, and actions define those who are antiestablishment. We have recently noted some individuals who are so classified.

A person that is in cosmic 1 is arrogant and therefore causes disruptions in interpersonal relationships; when enough arrogant people join him, the society experiences a historical downtrend.

Those in cosmic 2 antiestablishment are far more damaging. Such a person is recalcitrant, rebellious, and noncompliant. They exhibit a visceral hatred for all forms of authority, both spiritual and temporal.

Here are some names with which you are familiar that were and presently are ensconced in cosmic 2 antiestablishment hatred and antagonism: Antonio Gramsci, the Italian Communist, Georg Lukács, the Hungarian Marxist, Theo Adorno, Max Horkheimer, and Walter Benjamin of the Frankfurt School, A. S. Neill of the Summerville School, Herbert Marcuse of Columbia University, and Saul Alinsky, whose *Rules for Radicals* has inspired a host of antiestablishment types for almost four decades and is currently the guidebook for the anti-American sentiment that is being expressed by proponents of black liberation theology and put into practice by the current administration and Congress.

Gramsci's Long March has gained momentum and has enjoyed broad success in dismantling the traditional culture of the United States, especially by its undermining of the divine institution of the family.

The actions of these and others who follow their example are efficiently assaulting the lives, the privacy, and the property of every American and their very policies smack of treachery against the Constitution. As is evidenced by the recent attack on Sgt. James Crowley, Progressive activists from the White House to the halls of Harvard have insulted and attacked the authority of local law enforcement while planting the seeds of racism where they do not belong but which may well produce a great harvest.

Antiestablishment hatred and antagonism constantly assault the four divine institutions and with the expanded power enjoyed by Progressive activists the Long March through our culture has acquired considerable momentum.

1. Nationalism: The Lord's separation of the lines of Japheth, Ham, and Shem following the events of Operation Babel was a divine intervention designed to restore order that was lost by the satanic effort of collectivism. This verse, recently cited, indicates divine rejection of the collectivist effort at Babel:

Genesis 11:6 - The Lord said, "Behold, they are one people [internationalism is the result of collectivism on the national level; both are satanically motivated], and they have the same language. And this is what they began to do, and now nothing they purpose to do will be impossible for them."
