

## **LAW OF VOLITIONAL RESPONSIBILITY: Summary**

- 1. Wrong thinking produces self-imposed misery. We suffer because we choose to believe the lie.**
- 2. Wrong motivation produces self-induced misery. We suffer because we choose to be influenced by this erroneous thought.**
- 3. Wrong decisions produced self-indulged misery. We suffer because we willfully decide to make choices based on lie and error.**

**Deliberate wrong actions produce self-induced misery. We suffer because we willfully and knowingly do things based on lie and error.**

**Impulsive wrong actions produce self-indulged misery. We suffer because we spontaneously, without any thought, emotionally seek to gratify the lust patterns of the sin nature.**
